

Jeff Zweig Appointed Head of Asset Management at Fiera Comox

MONTREAL, TORONTO, October 13, 2022 – Fiera Comox Partners (“Fiera Comox”) a global private investment firm with approximately CA\$3.0 billion in assets under management as of September 30, 2022, and an affiliate of Fiera Capital Corporation (TSX: FSZ) (“Fiera Capital”) is pleased to announce the appointment of Jeff Zweig to the role of Partner, Vice Chair, and Head of Asset Management.

With 25 years of experience, Jeff will provide governance oversight across Fiera Comox’s global portfolio of private investments, working to drive long-term value and improve sustainability outcomes. Jeff joins Fiera Comox’s Board of directors and Management Investment Committee as the firm deploys capital across the rapidly growing strategies in Agriculture, Private Equity, and Private Credit.

Jeff was most recently the President & CEO of Mosaic Forest Management (“Mosaic”), Canada’s leading private timberland manager, a role he held at Mosaic and predecessor companies for over seven years. In 2018, he successfully led the multi-billion-dollar transaction that brought together Island Timberlands and TimberWest under the ownership of two leading Canadian pension funds to create Mosaic Forest Management.

During his tenure, he drove significant improvements in safety, sustainability, and financial performance. Mosaic became the first forest company in British Columbia to achieve the Progressive Aboriginal Relations certification and the first forest company globally to certify its organizational carbon footprint through the UK Carbon Trust. Most recently, the organization launched the largest nature-based carbon credit project in Canada.

Prior to Mosaic, Jeff held senior executive roles at BHP and Inco in Australia, Europe, and Canada. He is past Chair of the Business Council of British Columbia, and the current Chair of the Canadian Partnership Against Cancer, the federally funded organization responsible for stewarding Canada’s national cancer control strategy.

Jeff holds an Honours Bachelor of Arts, a Bachelor of Laws, and a Master of Business Administration (gold medallist) from the University of Western Ontario.

“We are thrilled to have Jeff join us as a Partner at Fiera Comox,” said Antoine Bisson McLernon, Partner and Chief Executive Officer, Fiera Comox. “He is an international leader in the resource sector, bringing deep operating and commercial experience, and a strong focus on ESG across a range of commodities and geographies.”

Fiera Comox’s private investment management business has grown rapidly to over CA\$3.0 billion, underpinned by strong returns, a focus on long-term value creation, and responsible stewardship.

"I am delighted to join the Fiera Comox partnership and look forward to building on the existing strong investment strategies with an unrelenting focus on driving long-term value and positive sustainability outcomes," added Jeff Zweig.
